Identification Number: C00394593
Filing period: 30 Day Post General Report

Ms. Brady,

This letter is in response to your inquiries dated January 18, 2005, related to the 30 day post general report of David Vitter for US Senate.

- 1) Schedule A appears to have contributions in excess of federal limits. However, this is not the case as explained in detail below:
 - a) The James Moore contributions are from two different men living in two different cities in Louisiana. They are not the same person and therefore their contributions should not be accumulated for purposes of campaign limits.
 - b) Both HE Reily (10/29/04) and Mrs. Bert Turner (11/11/04) contributions do not exceed campaign contribution limits. The list does however include their respective spouse's contributions in prior reporting periods. Please recheck your records for clarification on these people.
 - c) James Smith, Wayne Rosen and Joseph Shields' contributions were for both the general and special elections. The contributions for the special election were refunded in the 30 day post general report and the refunds of the general monies were mailed on February 3, 2005 (see check copies).
